[REDACTED] They appeared to appreciate our problem and they were going to consider it further.

2. Talked briefly with Kenneth Belieu who indicated Senator Lyndon Johnson had asked him the latest status in the Soviet missile field. Belieu requested a briefing. Also he asked for a further briefing on the letter which we had had for comment.

3. Delivered to George F. Murphy, Jr., Joint Committee on Atomic Energy, the corrected transcript of the briefing by the DCI on 28 July 1959.

4. [REDACTED]

5. Mr. Keenan in the office of Congresswoman Florence P. Dwyer (R., N.J.) called for information on [REDACTED] who claims to have been an employee of CIA. From all indications [REDACTED] is a mental case and has no connection with us. However, we are checking with Personnel and Security and will be back in touch with Keenan.
